## SUMMARY

---

I am Lakshmi Murari, a Computer Science Engineering student at Mohan Babu University, with a strong passion for creating digital experiences. I specialize in designing clean, modern user interfaces, developing full-stack web applications, and editing videos with a creative edge. My core interests include frontend development, UI/UX design, and video editing. I also have hands-on experience with backend technologies such as Node.js, Express, MongoDB, and Firebase, enabling me to build complete, end-to-end solutions.
